Additional Required Tests (when applicable)

Test Parameter	Test Method	Requirement	Fabric Testing	Garment Testing	Colors	Special Price (USD)		
						US	Asia Pacific	India
Flammability	16 CFR 1610	Class 1 only	Yes	No	Darkest Color	70	28	22

Notes :

1. The prices applicable to UL- Asia Pacific (Hong Kong, China (Shanghai & Shenzhen), India & US office.
2. The prices include the testing charge of **ONE** washing condition only (either washing or drycleaning) with reference to the provided care instruction. If both washing conditions are required, the drycleaning condition will be charged as a separate cost.
3. The package price shall include Fiber content test of **ONE** fiber by chemical method. Additional charge is required for additional fiber or when microscopic method is needed.
4. The prices include **ONE** testing analysis per test item, additional charge is required if extra analysis is needed.
Samples Required: Need to send 3 samples for full testing, or 2 samples plus 1/2 yard of fabric. For complicated / patched styles we need 4 samples total.

5. The prices quoted are based on regular service only. Rush Services are available with surcharge.

	Regular Service	Express Service	Shuttle Service	Immediate Service
UL-Asia Pacific	5 working days No surcharge	3 working days 40% surcharge	2 working days 70% surcharge	24 hours 100% surcharge
UL-India	5 working days No surcharge	3 working days 40% surcharge	2 working days 70% surcharge	24 hours 100% surcharge
UL-US	5 working days No surcharge	3 working days 50% surcharge	2 working days 75% surcharge	1 working day 125% surcharge

Marked with ^ are for subcontracted tests and will take longer TAT

6. The below discount is offered on other individual test items when required:

UL-Asia Pacific	35%
UL-India	25%
UL-US	25%

7. Please note that the individual discounted prices quoted are for reference purpose only as UL local offices will charge individual items with agreed discount against the prevalent pricelists. Discount will not applicable to report minimum charge or special prices (if any).
The quoted price is based on the current exchange rate in Sept 2015, the testing fees is subject to change due to the flotation exchange rate in China and other locations.

Current Exchange Rate in September 2015.

1 USD = 7.76 HKD

1 USD = 6.41 RMB

- 8.
9. UL India has VAT service tax applicable on final amount.
10. The special offers are subject to review by the end of December 2016.
